Lynn and Alyse,

Let me know what you think of sending the following email to Paul R. for additional characterization and collection of sediment samples between the location of Sediment 4 and the detention pond on the north corner of the landfill property located between the Area 2 fence and St. Charles Rock Road. Let me know what you think. I am particularly interested in your thoughts on the last paragraph.

Paul,

Ex. 5 - Deliberative

Ex. 5 - Deliberative

Please let me know if you have any questions about these proposed sampling plans.
